Capture like a Pro with 64MP quad camera

Redmi Note 9 Pro features a powerful 64MP quad camera setup that's ready for any situation. Capture ultra-clear shots with the 64MP main camera. Get cinema-style videos right from your smartphone with 4K movie frame. And selfies are even made more exciting with selfie slow motion.

Power like a Pro with Qualcomm® Snapdragon™ 720G

Get blazing fast, flagship-level experience with Qualcomm® Snapdragon™ 720G processor with up to 2.3GHz. Redmi Note 9 Pro is built with 8nm process technology to deliver powerful performance yet remains incredibly power efficient.

Charge like a Pro with 30W fast charging

With a large 5020mAh battery, Redmi Note 9 Pro keeps you powered all day all night and even till the next day. And for the first time ever, we are bringing 30W fast charging to the Redmi Note series. Recharge up to 57% in just 30 minutes* and the fast charger is included in-box too. Charge fast, do more.

The midrange Pro

Redmi Note 9 Pro brings flagship-level experience to the next level. It's amazing and beautiful inside out with the all-new 6.67" DotDisplay and stylish, symmetrical design. We've also included all the fan favorite features such as NFC, 3.5mm headphone jack, IR blaster, and more.
