

Earplugs

Inserting

Assembling

Dear Customer

Your new earplugs are designed to reduce background noise in everyday life. They are not personal protective equipment and are not suitable as ear protection against hazardous noise exposure. They are not intended for use in a commercial context or with a permanently high level of noise exposure.

DANGER to children due to suffocation/ choking! Keep the earplugs out of the reach of children.

- **WARNING:** The instructions for use and care must be strictly observed. Non-observance of the instructions may cause damage to health.
- For reasons of hygiene, do not share your earplugs with other people.
- Only use earplugs that are clean, dry and externally undamaged. This product may be adversely affected by certain chemical substances. When cleaning the earplugs, never use solvents such as vinegar-based cleaners, thinners, alcohol, disinfectant or similar substances.
- If the earplugs become damaged, discoloured or hardened, stop using them and dispose of them with household waste.

Inserting and removing the earplugs

- ▷ Insert the earplugs into your ears as shown and use the tabs to turn them towards your face.
- ▷ To remove the earplugs, turn them back in the opposite direction and pull them out carefully.

Changing earplugs

We have included three different sizes of earplugs. Choose the right size for your ears - the earplugs should not be uncomfortable or painful, but they should also not fall out with every movement.

1. Carefully pull the tab out of the earplug, turning it slightly back and forth if necessary.
2. Push the tab into the earplug you have selected. Make sure that it is firmly in place.

Cleaning and storage

- After each use, clean the earplugs with warm water and a mild soap. To do so, remove the tabs first. Allow the earplugs to air dry before using them again or putting them away.
- Keep the earplugs clean and dry in the storage box when not in use. Protect them from extreme temperatures and direct sunlight.

Material of the earplugs

100% silicone

Product number: 715 092

Made exclusively for:
Tchibo GmbH, Überseering 18,
22297 Hamburg, Germany
