

## Dome Floor lamps LM1945

### Assembly steps

- (1) Connect the tubes as step A and B.
- (2) Pull out the cable from the bottom and fix the tube to the base as step C and D.
- (3) Pull out the cable out from the lateral hole as step E.
- (4) Stick the pad to the base as step F.
- (5) Put in the bulb as step G.

This is the pad on the bottom.
